

Gulf Coast 3 (GC3)

2023 GC3 10th Annual Regional Conference November 15 -17, 2023

Call for Student Posters – Due October 13, 2023

The key focus of this poster session is to showcase innovative student work around health information technology.

Potential topics include:

- Population Health Management
- Social Determinants of Health
- Artificial Intelligence/Machine Learning
- Health Data Management/Governance
- Healthcare Clinical Innovation
- Telehealth – including reimbursement
- Remote Workforce
- Cybersecurity
- Mobile Computing
- Interoperability and Information Blocking
- Data and Standards
- HIPAA
- Data Transparency
- Value-based Reimbursement
- Data Science
- any other related topics

Eligibility

- Students must be registered and attending courses in an accredited academic undergraduate or graduate program currently or within the last 12 months prior to the application submission deadline. If accepted, they may be a program graduate at the time of presentation.
- Students must have a current Alabama, Louisiana, or Mississippi HIMSS Chapter membership by the submission deadline.

Guidelines

- A student must be the lead author. Co-authors may be students, faculty, or mentors.
- Only one submission per individual or group.
- At least one author of accepted posters must attend the conference on November 15-17th, 2023 at the Beau Rivage Resort & Casino, 875 Beach Blvd, Biloxi, Mississippi 39530. (Registration fee will be waived for students (leading and co-authors) with accepted posters.
- This submission should include the following sections in a poster template (see links below for assistance with designing and ordering a poster): Introduction, Methods, Results, Discussion, Conclusion.
- All posters should be printed landscape and be **no larger than: 42" x 56"**. (Poster stands will be provided at the conference.)
- Please be sure to note in the poster how your work is **innovative** and **significant** to the field.
- The poster does not need to be 100% complete by October 13th. Preliminary results may be included in the application, and **all work must be completed by November 1, 2023** and included in the final accepted poster submission. **Proposals will not be considered** if all work is not completed and submitted by November 1, 2023.
- **This form and poster submissions should be emailed to Dalton Pena at depena@uab.edu with the subject as "2023 GC3 Student Poster Submission", no later than October 13, 2023 11:59 PM CST.**
 - The email should include two PDF document attachments – the form and the poster:
 1. Please name the form PDF: Presenting Author's "First Name" "Middle Initial." "Last Name" "2023 GC3 Student Poster Form" (e.g. "Jane S. Smith 2023 GC3 Student Poster Form.pdf")
 2. Please name the poster PDF: Presenting Author's "First Name" "Last Name" "2023 GC3 Student Poster Submission" (e.g. "Jane S. Smith 2023 GC3 Student Poster Submission.pdf")

Please review this video for a compelling poster layout:

HIMSS Student Memberships

Organizational Affiliate membership

Some schools are Organizational Affiliate members of HIMSS and provide their students with a free HIMSS student membership - to see if your school participates, [click here](#). If your school does offer complimentary OA membership to HIMSS, [click here](#) for detailed sign-up instructions. *Note: These instructions are specific to OA membership, not the individual student membership below. These instructions indicate to select Alabama as your local HIMSS Chapter; please select Mississippi or Louisiana instead if your academic program is in one of these states.*

Louisiana students: If your educational institution is not an organizational affiliate of HIMSS and you wish to submit a poster, please contact Hank Fanberg at hbfanbe1@uno.edu to discuss.

Mississippi students: If your educational institution is not an organizational affiliate of HIMSS and you wish to submit a poster, please contact Tammy Means at Kathy Kendrick at kkendrick@mrrcrehab.org to discuss.
